Best Practice – 1
Digital Literacy and Cyber Security Cell

The college has established Digital Literacy and Cyber Security Cell during 2018-19 for the purpose of promoting digital activity and securing cyber activities of Teachers, CHB Staff, Faculties, Research Scholars and Alumni. The individual should engage with the digital environment which is also beneficial for them as well as society and the country. Whereas Cyber Security in Banking has great importance, it becomes all the more necessary since the very the foundation of banking lives in nurturing trust and credibility. Everyone seems to be going cashless, using digital money, therefore it becomes very important to ensure that all measures of cyber security are known by them. The following detail objectives describe the necessity of Digital Literacy and Cyber Security Cell.

Objectives of the Cell

- To aware staff, students and society about Digital Literacy and Cyber Security.
- To motivate staff, students for study about Digital Literacy and Cyber Security.
- To promote faculties to participate in Digital Banking and Cashless.
- To guiding students for cyber security while doing banking transaction.
- To organize Seminar regarding Cell objectives through departments.

Activities conducted by the Cell during 2019-20

- Guided faculties, non-teaching staff about cyber security during college meetings.
- One Day Workshop on Computer Management on Documentation for Non-Teaching Staff on 29.02.2020.
- Guidance Seminar organized at college level on Topic “Digital Literacy and Social Media” on 09.03.2020, Staff, UG & PG Students participated.
- Organized Professional Development Programme on Enhancing Teaching through ICT Tools on 07.05.2020 through Zoom Platform.
- Rally organized by cell to promote Cyber Security and awareness on Digital Literacy.
- SMS forwarded to all students, parents for taking care about Cyber Security and Digital Banking.
